®

ARUN L. LAHOTI

I am an Advocate and engaged in Practice of civil, Criminal Cases, Revenue Department and allied activities. I have been practicing with wide experience over more than 15 years.

Law is a justice based upon truth, knowledge and work. For that, our slogan is **“WORK WITH TRUST”**

Values

Strive to ensure total Client delight, using innovative methods. To have a trustworthy dealing with all Clients.

Expertise

We provide experience and specialized expertise in many areas of law including real estate.

Vision

To be a great success in this Profession. To endeavor and provide the best result and Justice.

Professional strategy

- Build brand image.
- Give good service within time.
- Law/methods used are of the high level.
- Well prepared file of the Documents.
- Share the experience with client.
- Be clear in fee factor.
- Free service in social level.
- Winning attitude with trust and legal way.

Reputation

Today, we are widely respected and admired for its excellence in service, Transparency in all its dealing, timely deliveries and high quality in documents/cases. It has forged a trusted relationship with all its clients. A satisfied clientele, proactive team of service providers.

OVERALL TENDENCIES

- Have very strong intuitive insights and hunches about what is right and wrong as well as which direction will be fruitful.
- Sensitive to the needs and issues of others and to the protection of the individuality and freedom of others.
- Have the ability to listen attentively, showing concern and respect; however, you may tend to avoid difficult, stressful, or confusing situations.
- Tend to think outside the box, seeing ideas and ways of doing things which others tend to miss because they think more by habit.

- Tend to be an individualist and an unconventional person, challenging existing ways of thinking and doing things.
- Have keen knowledge of your social/role image, of your ability to perform and of the importance of status and recognition.
- Have the ability to see and understand your uniqueness and individuality and to assess personal strengths and limitations.
- Have the ability to see and serve personal goals and to understand which will guide your development and conduct.
